# Library Recommendation Form

*Please forward this form to your Serials Librarian/Library Acquisition Committee*

Dear **Serials Librarian/Information Specialist:**

Please include the following journal in your next serials review meeting, with my recommendation to subscribe:

***Biology of the Cell***

**ISSN Print: 0248-4900**

**ISSN Online: 1768-322X**

I recommend the journal for the following reasons:

- REFERENCE:** This journal is directly related to my field and is an important source of reference for my research. I need to refer to articles from this journal frequently in the course of my work.
- STUDENT REFERRAL:** It is critical that students have access to this information to best facilitate their course work and academic pursuits. I will be referring my students to this journal regularly.
- BENEFIT FOR LIBRARY:** This journal will be a valuable addition to the library's collection of scientific resources. Its acquisition will assist the library in fulfilling departmental, faculty and student needs.
- OWN AFFILIATION:** I am a member of the editorial/advisory board and strongly support Portland Press journals as essential scientific resources. I regularly recommend articles to students and colleagues.
